

October 24, 2022

The *Journal of Indian Ocean World Studies* (JIOWS) invites submissions for its 2023 issues, to be published in Spring (May-June) and Fall (November-December). The JIOWS is the world leader in social science and humanities journals focusing on the Indian Ocean World (incorporating the macro-region between East Africa and East Asia). All manuscripts undergo double-anonymous peer review and those accepted will be open access and indexed on the [Directory of Open Access Journals](#). For more information about the JIOWS, please see our [About](#), [Submissions](#), and [Archives](#) pages. The JIOWS does not apply Article Processing Charges.

Scholars seeking to submit manuscripts for publication in Spring 2023 should do so by 31 January 2023. Those seeking to publish in Fall 2023 should submit their manuscripts by 31 July 2023.

We look forward to hearing from you. All queries should be addressed to the editors at [jiows@mcgill.ca](mailto:jiows@mcgill.ca)
